

Fronius USA 5-Year Warranty Extension to 15 Years

(Applies only to inverters starting with serial number 19 xxxxxx or higher)

Fronius Internal Guidelines

Fronius USA is now offering (effective April 15, 2008) a 5 – year warranty extension on the **Fronius Premium 10-Year Warranty** for a nominal fee to extend the warranty to 15 years on any Fronius USA inverter with a serial number of 19 XXXXXX or higher.

Conditions, Limitations, and Process Overview:

1. The warranty extension is only available on inverters with a serial number of 19 XXXXXX or higher (2008 production or later).
2. All terms and conditions of warranty are the same as the Fronius USA Premium 10-Year Warranty with the warranty term increased to 15 years.
3. Pricing for the 5 – year warranty extension is detailed on the Fronius USA Pricelist (V1 2008 or later) which is available in the downloads section of the Fronius USA Solar website at www.fronius-usa.com
4. The warranty extension must be purchased through a Fronius Authorized Distributor or Integrator within **180 Days** or **6** months of shipping from Fronius.
5. The purchase of 5 – year warranty extension to provide a 15-Year Fronius Premium Warranty must be done through your Solar Dealer or Installer whom will forward the details to the Fronius Authorized Distributor or directly to Fronius if they are a direct account of Fronius.
6. Solar System owners and end users can not purchase the warranty extension directly from Fronius.
7. The purchase order from the Fronius Authorized Distribution Partner or Integrator must clearly detail the Inverter model, serial number, warranty part number and the email address of the system owner to forward the 15 year warranty certificate.
8. Fronius will forward a 15 year warranty certificate via email which must include the inverter serial number to the system owner that purchases a 15 year warranty or, in the absence of an email address for the system owner to the Fronius Authorized Distributor or Integrator.

9. Currently there are four warranty part numbers as follows:
