

RENTAL

**FLEXIBILITY
WITHOUT
INVESTMENT COSTS**

AVOID PRODUCTION BOTTLENECKS

/ The fleet of welding systems can be flexibly extended when there is a peak in demand.

NO DEFAULT RISKS

/ Very well serviced equipment for the duration of the rental term.

INDIVIDUAL RENTAL TERMS

/ Welding systems can be hired for a minimum of one day.
/ Or flexibly for several years

ALWAYS UP TO DATE

/ Always benefit from the latest products.

***NOTE:** Relieve your fixed assets by only paying the costs for the duration of the rental term.*

| | Scope of Services |
|---|-------------------|
| Establish the rental term according to the requirements | ✓ |
| Delivery and commissioning of the rented equipment | ✓ |
| Advice and guidance for operating personnel | ✓ |
| In the case of long-term rental, maintenance will be carried out by Fronius for the duration of the rental term | ✓ |
