£70 OFF	
 MTG 250d	 MTG 400d
 MTG 320d	 MTG 500d

**MULTILOCK
SYSTEM
OPTIONAL**

We build our torches to last, so why should you make the switch?

The MTG d and MTW d manual welding torches offer advanced technology. The cooling system has been optimised, the handling has been simplified, and comfort has been improved, resulting in maximum precision and maximum service life. For a very limited time only we are offering a generous discount on these torches. Not to be used in conjunction with any other offer. **HURRY... offer ends 31st March 2021.**

To take advantage call us on 01908 512300 or contact your local distributor.
